Notes:-

- The results for the quarter and half year ended 30 September 2011 were taken on record at the Board of Directors' Meeting held on 14 November 2011.
- During the quarter ended 30 September 2011, due to significant volatility in the foreign currency vis-à-vis local currency, the Company has considered the foreign exchange fluctuation as an exceptional item. The foreign exchange fluctuations pertaining to corresponding previous periods and for the year ended 31 March 2011 have been regrouped only to make them comparable.
- Hitherto, upto the previous year ended 31 March 2011, the Company considered two reportable segments, viz. Polyester and Power. During the quarter ended 30 June 2011, the management reassessed its reportable segments, taking into consideration the economic environment; risks and returns; future business plans; and reporting systems. Management evaluated and concluded that power plant is being used primarily for captive consumption with an insignificant portion being sold to outside customers. Based on the current plans and the projections, the Company envisages that the power generation would continue to be primarily for captive purposes only. Accordingly, the Company has only one business segment, i.e., Polyester and, therefore, segment reporting disclosures are no longer applicable. The figures reported during the previous year / corresponding quarter have been disclosed.
- The foreign exchange fluctuation loss capitalised during the quarter ended 30 September 2011, includes ` 3.38 crore in relation to the quarter ended 30 June 2011 pursuant to notification no. GSR 378 (E), which has extended the period of capitalisation of foreign exchange fluctuation on long term borrowing upto 31 March 2012.
- There was no investor complaint pending at the beginning of the quarter. During the quarter ended 30 September 2011, 27 investor complaints were received and all the 27 complaints were suitably disposed-off and no complaint was pending as on 30 September 2011.
- Previous period figures have been regrouped / recast, wherever necessary, to make them comparable.
