

Environment Week at Indo Rama

Indo Rama Synthetics (India) Limited, India's largest polyester manufacturer celebrated Environment Week last week. The week long awareness campaign culminated in a

A programme being held at Indo Rama on Environment Week.

function held at Butibori plant.

Speaking on the occasion, chief guest Dr D J Tidke, principal, YCCE stressed on the need for every indi-

vidual to come forward and spread awareness of a healthy environment.

"We as a company are extremely keen to protect the environment for us to have a better tomorrow. As all of us are aware that there has been massive deforestation over teh years, the time has come to replenish what we have taken," said Sharad Verma, plant head of Indo Rama. Deputy director of Vocational Education and Training (RO), Nagpur S M Hastey was also present on the occasion.

The company organised a round table conference on water conservation and management at its factory premises. A plantation drive was also organised which was graced by additional chief engineer of MIDC S B Patil.
