Based on the above the Company believes that the profitability will improve over the next few years. The Company is confident that the deferred tax assets carried at the end of the period is fully recoverable.

During the quarter ended 30 June 2016, the Company has recognised interest of Rs.0.73 crore under 'other operating income' on the insurance claim recoverable for the loss of certain assets and loss suffered due to business interruption under loss of profit policy relating to fire incidence at its plant in 2007-08. Review Report to Board of Directors of Indo Rama Synthetics (India) Limited

1. We have reviewed the accompanying statement of unaudited financial results ('the Statement') of Indo Rama Synthetics (India) Limited ('the Company') for the quarter ended 30 June 2016 attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Attention is drawn to the fact that the figures for the corresponding quarter ended 30 June 2015 including the reconciliation of profit under Ind AS of the corresponding quarter with profit reported under erstwhile GAAP, as reported in these financial results have been approved by the Company's Board of Directors but have not been subjected to review. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors on 31 August 2016. Our responsibility is to issue a report on this Statement, based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. (a) Attention is drawn to note 2 of the Statement relating to Deferred Tax Assets amounting to Rs.8.72 crores as at 30 June 2016 recognised by the Company on the basis of future outlook of business confirming that sufficient future taxable income will be available against which these assets will be realised. In view of losses suffered in the current as well as preceding periods, and in view of other unused tax losses available to the Company, we are not in agreement with the deferred tax assets recognized. Had such asset not been recognized, the net loss after tax for the quarter would have been higher by Rs.8.72 crores.

(b) Attention is drawn to note 4 of the Statement, which enumerates recognition of interest of Rs.0.73 crore for the quarter ended 30 June 2016 on the insurance claim recoverable by the Company from the insurance company for the loss of certain assets and loss suffered due to business interruption at its plant in 2007-08. The said recognition of asset, is not in accordance with accounting principle stated in Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. Had such income not been recognised, the net loss before tax for the quarter and net loss after tax for the quarter would have been higher by Rs.0.73 crore respectively.
4. Based on our review conducted as explained in para 1 and 2 above, except for the matters referred to in paragraph 3 above and related disclosure of impact on the financial results, which has been explained in that para, nothing has come to our attention that causes us to believe that the accompanying statement
